

# The Wight Bells – Summer 2019.....

There are many different forms of Morris dancing! The Wight Bells side has chosen to dance mainly in the North-West tradition. Many of the dances are unique to the Wight Bells and have been named after Isle of Wight places. If you are interested in joining us, as either a dancer or musician, please phone Judith – (01983) 401685, or Viv on (01983) 506397.
